Consent and Release from Liability Certificate for Concussions (Page 2 of 4)

This completed form must be kept on file by the school. This form is valid for 365 calendar days from the date of the most recent signature.

School:	School District (if applicable):
C	

Concussion Information

Concussion is a brain injury. Concussions, as well as all other head injuries, are serious. They can be caused by a bump, a twist of the head, sudden deceleration or acceleration, a blow or jolt to the head, or by a blow to another part of the body with force transmitted to the head. You can't see a concussion, and more than 90% of all concussions occur without loss of consciousness. Signs and symptoms of concussion may show up right after the injury or can take hours or days to fully appear. All concussions are potentially serious and, if not managed properly, may result in complications including brain damage and, in rare cases, even death. Even a "ding" or a bump on the head can be serious. If your child reports any symptoms of concussion, or if you notice the symptoms or signs of concussion yourself, your child should be immediately removed from play, evaluated by a medical professional and cleared by a medical doctor.

Signs and Symptoms of a Concussion:

Concussion symptoms may appear immediately after the injury or can take several days to appear. Studies have shown that it takes on average 10-14 days or longer for symptoms to resolve and, in rare cases or if the athlete has sustained multiple concussions, the symptoms can be prolonged. Signs and symptoms of concussion can include: (not all-inclusive)

- · Vacant stare or seeing stars
- · Lack of awareness of surroundings
- · Emotions out of proportion to circumstances (inappropriate crying or anger)
- · Headache or persistent headache, nausea, vomiting
- · Altered vision
- · Sensitivity to light or noise
- · Delayed verbal and motor responses
- · Disorientation, slurred or incoherent speech
- · Dizziness, including light-headedness, vertigo(spinning) or loss of equilibrium (being off balance or swimming sensation)
- · Decreased coordination, reaction time
- · Confusion and inability to focus attention
- · Memory loss
- · Sudden change in academic performance or drop in grades
- · Irritability, depression, anxiety, sleep disturbances, easy fatigability
- · In rare cases, loss of consciousness

DANGERS if your child continues to play with a concussion or returns too soon:

Athletes with signs and symptoms of concussion should be removed from activity (play or practice) immediately. Continuing to play with the signs and symptoms of a concussion leaves the young athlete especially vulnerable to sustaining another concussion. Athletes who sustain a second concussion before the symptoms of the first concussion have resolved and the brain has had a chance to heal are at risk for prolonged concussion symptoms, permanent disability and even death (called "Second Impact Syndrome" where the brain swells uncontrollably). There is also evidence that multiple concussions can lead to long-term symptoms, including early dementia.

Steps to take if you suspect your child has suffered a concussion:

Any athlete suspected of suffering a concussion should be removed from the activity immediately. No athlete may return to activity after an apparent head injury or concussion, regardless of how mild it seems or how quickly symptoms clear, without written medical clearance from an appropriate health-care professional (AHCP). In Florida, an appropriate health-care professional (AHCP) is defined as either a licensed physician (MD, as per Chapter 458, Florida Statutes), a licensed osteopathic physician (DO, as per Chapter 459, Florida Statutes). Close observation of the athlete should continue for several hours. You should also seek medical care and inform your child's coach if you think that your child may have a concussion. Remember, it's better to miss one game than to have your life changed forever. When in doubt, sit them out.

Return to play or practice:

Following physician evaluation, the *return to activity process* requires the athlete to be completely symptom free, after which time they would complete a step-wise protocol under the supervision of a licensed athletic trainer, coach or medical professional and then, receive written medical clearance of an AHCP.

For current and up-to-date information on concussions, visit http://www.cdc.gov/concussioninyouthsports/ or http://www.seeingstarsfoundation.org

Statement of Student Athlete Responsibility

Parents and students should be aware of preliminary evidence that suggests repeat concussions, and even hits that do not cause a symptomatic concussion, may lead to abnormal brain changes which can only be seen on autopsy (known as Chronic Traumatic Encephalopathy (CTE)). There have been case reports suggesting the development of Parkinson's-like symptoms, Amyotropic Lateral Sclerosis (ALS), severe traumatic brain injury, depression, and long term memory issues that may be related to concussion history. Further research on this topic is needed before any conclusions can be drawn.

I acknowledge the annual requirement for my child/ward to view "Concussion in Sports" at www.nfhslearn.com. I accept responsibility for reporting all injuries and illnesses to my parents, team doctor, athletic trainer, or coaches associated with my sport including any signs and symptoms of CONCUSSION. I have read and understand the above information on concussion. I will inform the supervising coach, athletic trainer or team physician immediately if I experience any of these symptoms or witness a teammate with these symptoms. Furthermore, I have been advised of the dangers of participation for myself and that of my child/ward.

Consent and Release from Liability Certificate (Page 4 of 4)

This completed form must be kept on file by the school. This form is valid for 365 calendar days from the date of the most recent signature.

Attention Student and Parent(s)/Guardian(s)

Your school is a member of the Florida High School Athletic Association (FHSAA) and follows established rules. To be eligible to represent your school in interscholastic athletics, in an FHSAA recognized sport (i.e. bowling, competitive cheerleading, girls flag football, lacrosse, boys volleyball, water polo and girls weightlifting or sanctioned sport (i.e. baseball, basketball, cross country, tackle football, golf, soccer, fast-pitch softball, swimming & diving, tennis, track & field, girls volleyball, boys weightlifting and wrestling), the student:

- 1. This form is non-transferable; a separate form must be completed for each different school at which a student participates.
- 2. Must be regularly enrolled and in regular attendance at your school. If the student is a home education student or attends a charter school or Florida Virtual School Full time Program or a special/alternative school or certain small non-member private schools, the student must declare in writing his/her intention to participate in athletics to the school at which the student is permitted to participate. Home education students and students attending small non-member private schools must be approved through the use of a separate form prior to any participation. (FHSAA Bylaw 9.2, Policy 16 and Administrative Procedure 1.8)
- 3. Must attend school within 10 days of the beginning of each semester to be eligible during that semester. (FHSAA Bylaw 9.2)
- 4. Must maintain at least a cumulative 2.0 grade point average on a 4.0 unweighted scale prior to the semester in which the student wishes to participate. This GPA must include all courses taken since the student entered high school. A sixth, seventh or eighth grade student must have earned at least a 2.0 grade point average on 4.0 unweighted scale the previous semester. (FHSAA Bylaw 9.4)
- 5. Must not have graduated from any high school or its equivalent. (FHSAA Bylaw 9.4)
- Must not have enrolled in the ninth grade for the first time more than four school years ago. If the student is a sixth, seventh or eighth grade student, the student must not participate if repeating that grade. (FHSAA Bylaw 9.5)
- 7. Must have signed permission to participate from the student's parent(s)/legal guardian(s) on a form (EL3) provided the school. (Bylaw 9.8)
- Must not turn 19 before September 1st to participate at the high school level; must not turn 16 prior to September 1st to participate at the junior high level; and must not turn 15 prior to September 1st to participate at the middle school level, otherwise the student becomes permanently ineligibile. (FHSAA Bylaw 9.6)
- Must undergo a pre-participation physical evaluation and be certified as being physically fit for participation in interscholastic athletics (form EL2).
- 10. Must be an amateur. This means the student must not accept money, gift or donation for participating in a sport, or use a name other than his/her own when participating. (FHSAA Bylaw 9.9)
- 11. Must not participate in an all-star contest in a sport prior to completing his/her high school eligibility in that sport. (FHSAA Policy 26)
- 12. Must display good sportsmanship and follow the rules of competition **before**, **during and after** every contest in which the student participates. If not, the student may be suspended from participation for a period of time. (FHSAA Bylaw 7.1)
- 13. Must not provide false information to his/her school or to the FHSAA to gain eligibility. (FHSAA Bylaw 9.1)
- 14. Youth exchange, other international and immigrant students must be approved by the FHSAA office prior to any participation. Exceptions may apply. See your school's principal/athletic director. (FHSAA Policy 17)
- 15. Must refrain from hazing/bullying while a member of an athletic team or while participating in any athletic activities sponsored by or affiliated with a member school.

If the student is declared or ruled ineligible due to one or more of the FHSAA rules and regulations, the student has the right to request that the school file an appeal on behalf of the student. See the principal or athletic director for information regarding this process.

By signing this agreement, the undersigned acknowledges that the information on the Consent and Release from Liability Certificate in regards to the FHSAA's established rules and eligibility have been read and understood.

Melbourne Central Catholic High School Student-Athlete Contract 2020-2021

To participate and represent Melbourne Central Catholic Catholic High School as an athlete, a student must abide by the following guidelines:

- 1. Be under the age of 19 years old before the start of the school year and entered ninth grade in August of 2017 or later.
- 2. Student-athletes will be placed on **academic probation** if they **fall below a 2.0 in their core course**. This will include a weekly progress report to monitor improvement and required before or after school extra help sessions.
- 3. Return an athletic forms packet with all paperwork completed to the head coach or athletic department before the season begins.
- 4. Student-athletes must serve any detention assigned by a teacher or administrator, detention takes precedence over team practices.
- Student-athletes are expected to return any equipment or materials issued to them by coaches and/or athletic trainers at the
 conclusion of their season; any equipment not returned or returned damaged must be paid for before participating in another
 sport.
- 6. If a student-athlete quits a sport, all responsibilities and obligations to that sport must be cleared, and they cannot participate in another sport until the next sport season begins. Exceptions can occur with the approval of the Director of Athletics and or the coaches.
- 7. If a student-athlete is suspended from school, he/she is also suspended from athletics until their return to school.
- 8. Student-athletes must be present in school to participate in any practice or games following the completion of the school day. When a student has three (3) unexcused class absences (AU) or more in a day, he/she will not be permitted to participate in any extracurricular activities for that day or that following weekend if the absences occur on the last day of the school week.
- 9. Students who **exceed nine (9) unexcused absences** (full days or individual classes) in a semester will be ineligible for all extracurricular activities for the remainder of the semester. In order to regain eligibility, the student must immediately make up missed seat time. The only exception to this rule is for excused absences or prior arrangements made with the Dean/Principal. For excessive tardies, additional discipline will be passed on which may include missing team activities or possible suspension.
- 10. Being a part of a competitive high school team is a huge commitment for a student-athlete and their family. We want to continue to take the next step in making this program one of the best in the State of Florida. To do that, we need 100% buy-in from all student-athletes and stakeholders in the program, which is why practices are not optional but a required part of being a Melbourne Central Catholic athlete. We completely understand unexpected situations arise where a student may have to be away from their team for a day, but in such cases, a parent must call the head coach ahead of time to let them know of the circumstances. Multiple or consistent absences may affect the student-athletes place on the roster, starting lineup position, or varsity letter opportunity.
- 11. MCC athletes are encouraged to participate in as many sports as they can responsibly handle. If an athlete wants to participate on two (2) teams during the same season, the athlete must work out a schedule, with both coaches, that is satisfactory to everyone involved. This responsibility includes communication with all coaches. If the situation cannot be worked out to the satisfaction of all involved, it will not be allowed. An athlete must finish his/her first season in good standing, before he or she may move to the next season. (An athlete may not quit one sport to move to another.)
- 12. Student-athletes that act in an unsportsmanlike, improper, or inappropriate manner may be subject to game suspension, disciplinary action, or dismissal from the team. Subsequent discipline will be decided by a committee that includes the head coach of the sport, athletic director, principal and dean of students.
- 13. Any student-athlete utilizing online social mediums such as (but not limited to): Facebook, Instagram, Twitter, YouTube Snapchat, or internet message boards are expected to use positive judgment with any post and always remember that they are representing the mission and values of MCC and Hustler Athletics. Student-athletes should not use such online social apps to threaten, intimidate, harass, or entice other students or coaches, of any school, or make posts that are of poor taste and negative in nature. Student-athletes may be subject to immediate disciplinary action, by the school and team, to include dismissal from a team by the Head Coach or Athletic Director.

14.	Representation of Melbourne Central Catholic High School: Every student-athlete is a very visible representative of Melbourne
	Central Catholic High School and is expected to act with the highest of class. Any student-athlete who misbehaves at an athletic
	event or who is ejected from a contest is subject to school disciplinary action. If a student-athlete is ejected from a game, he/she
	must meet with the Athletic Director before he/she is allowed to return to the team. The Athletic Director will schedule a meeting
	with the student at the earliest possible time during the next school day. Student-athletes are expected to refrain from using
	profanity at any time during a practice, game, or in any other instance where they are representing MCC Athletics. Such use of
	language may be subject to disciplinary action. MCC is a drug, alcohol, and nicotine-free community. The use, possession,
	distribution, or sale of illegal drugs, synthetic drugs, drug-related paraphernalia, alcohol, tobacco, E-cigarettes, nicotine products of
	any kind, or the abuse of prescription or over-the-counter drugs by any student-athletes is strictly prohibited. Any student-athlete
	in breach of this policy on school property, in its vicinity, or at any school-sponsored activity, on or off-campus will result in
	disciplinary action that may include expulsion from school or dismissal from a program. When representing our school, on or
	off-campus, it is expected that student-athletes will follow the expectations and guidelines of the athletic department and all
	school and Diocese of Orlando policies.

Acknowledgment & Acceptance of MCC Athletic Rules and Policies: I acknowledge that I have read, agree with, and will abide by all of the aforementioned policies and rules of the MCC High School Athletic Department. For further information regarding our athletic policies please see our athletic handbook on our website.
